STATEMENT FROM UNIVERSAL COMPANIES
INCIDENT @ UNIVERSAL DAROFF CHARTER SCHOOL

“Today, at approximately 10:00 am, a teacher learned a student was in possession of a weapon in his book bag. The Universal Daroff Charter School staff immediately confiscated the bag, detained the student & followed emergency procedures to secure the students and staff. The authorities were notified; arrived expeditiously and identified the item was an unloaded gun and took over the investigation. We are working closely with the authorities to get a full understanding of how the student had possession of a weapon. Please note that all staff involved handled the matter efficiently and effectively. We take all matters seriously and are clear about expectations for students. We are happy there were no incidents and everyone is safe and the building is secured.”
