

**Universal Alcorn Charter
Elementary School
Parent/Student Handbook
2020-2021**

Aaron Starke, Principal

Dear Student and Family:

The faculty and staff join me in welcoming you to a new school year at Universal Alcorn Charter Elementary School. We look forward to working with you and we hope that this will be your best school year ever!

The Student Handbook has been published to help you better understand the policies and procedures of Universal Alcorn Charter Elementary School. It is also designed to assist you and your parents in meeting your responsibilities to become a successful scholar. We urge you to carefully review the content, and we also encourage you to share the information.

Universal Alcorn Charter Elementary School will provide you with many opportunities for learning and enrichment during this year and we hope that you will take advantage of these opportunities. Our hope for each of our students is that you grow academically, socially and emotionally as a result of your school experiences. During your time at Universal Alcorn, we expect each of you to strive for excellence in your studies, and to make positive contributions to our school and to our community.

Consideration, respect, and safety are the foundations upon which the rules that govern student conduct are based. You will share a school environment with hundreds of other people. Therefore, the rights of all must be preserved, and the safety of no one must be compromised. Your actions must be consistent with the rules and must not infringe on the rights or safety of others. Persistent rule violations will result in disciplinary action, which could include a suspension of student privileges.

Your teacher, guidance counselor, and other school staff members join me in offering you the help you may need during the school year in order to be successful. If you experience academic difficulty, disagreements with other students, or have personal concerns that you cannot resolve, we encourage you to seek someone out for assistance. Remember, we stand ready to help!

Lastly, we hope that you will always strive to be the best student and person you can be. I wish you an exciting, enriching and enjoyable school year, and one in which you will "Aspire To Excellence".

Sincerely,

Aaron Starke
Principal

ALCORN BREAKFAST AND LUNCH PROGRAM

Every student at Universal Alcorn receives lunch and breakfast at no cost. Breakfast is served every day before school from 8:00 a.m. to 8:30 a.m. **REASONABLE BEHAVIOR IS EXPECTED AT ALL TIMES.** Inappropriate behavior will not be tolerated and students who do not abide by mealtime rules can expect disciplinary action. As in all other school situations, students are expected to follow the directions given by teachers and the climate staff who supervise the cafeteria and the recreation area.

Each student is responsible for disposing of trash in the containers provided. Others must use the cafeteria after you. Students are expected **TO LEAVE LUNCH TABLES AND THE SURROUNDING AREA (FLOOR) FREE AND CLEAR OF TRASH AND FOOD. FOOD, AT NO TIME, IS PERMITTED OUT OF THE LUNCHROOM.**

EMERGENCY INFORMATION FORM

These cards will be distributed to students during the first few days of school and must be taken home and completed by parents. Any change of address or phone number must be reported as soon as possible. **IT IS ABSOLUTELY NECESSARY THAT THESE FORMS BE KEPT UP-TO-DATE** so that a parent or guardian can be contacted in case of accident or extreme illness.

HOMEWORK

Many assignments require study and research outside of class. Individual study is essential if students are to better understand the subjects they are studying. Homework provides the student with the opportunity to increase his/her knowledge; helps in needed skills; and leads to proficiency in the subjects being studied. Assigned homework must be completed. Grades may be affected, and after-school academic makeup may result if assignments are not completed. Since students work at different rates, it is difficult to prescribe homework in a set amount of time, although each student should have a minimum of one to two-and-a-half hours of homework per night. Assignments will vary from class to class. Some assignments will be due the next day, and some will need to be completed over a determined period of time. Homework is assigned minimally four times per week.

We encourage all students to have a study partner in each class who can share work that is missed because of illness or special program participation. If a student is absent from school for more than two days and cannot obtain your homework from another student, your parent may call the Main Office at 215-952-6219 after the second day and request your assignments. We ask that parents telephone by 9:00 a.m. and work can be picked up by 3:00 p.m.

LOST AND FOUND

Any items such as books and clothing, which are found, should be brought to the Lost and Found in the back of the Auditorium. Items such as money, jewelry, and other smaller items should be turned into the office and given to a secretary for safekeeping. Students who lose items should check at the lost and found bin in the back of the Auditorium or with one of the secretaries in the office. Students should also check in the rooms, and other areas of the school for those lost items. Personal property is the students' responsibility and each student should keep track of personal belongings. If a student finds an item in the classroom or hall, he/she should bring it to the office as soon as possible.

Students must assume responsibility for loss or damage of any school or personal property issued to or belonging to them. The school will try to protect these properties, but it is not the school's responsibility. Students should not bring expensive items to school as they might get lost or stolen.

TEXTBOOK ISSUE AND CARE

All students are responsible for textbooks and all other materials assigned to them. When students are issued textbooks, each student is responsible for covering and maintaining the condition of the books all year. Textbooks and all other materials are to be returned at the end of the school year. If lost or damaged, students are required to pay for the loss or damage. Fines and costs of books will take into account the previous condition of the text and copyright date.

MEDICAL ASSISTANCE

The School Health Center is located on the second floor. Our School Nurse is on duty and ready to assist scholars. In case of illness during a class, **a student must obtain a written pass** from the teacher to see the nurse. The students will be cared for there and, if necessary, sent home. Students should never leave school because of illness without permission from the nurse.

When an injury occurs while traveling to and from school, at school or in connection with athletics, it **MUST BE REPORTED AT ONCE** to either the homeroom teacher, classroom teacher or coach in charge. The student must also report to the school nurse.

All prescriptions and medications brought to school must be in the original container accompanied by a note from your parent/guardian authorizing appropriate school personnel to dispense the medicine. Upon arrival to school, students must bring all medications to the health office and give them to the nurse. Students are not permitted to carry medication with them during the day.

Any student who, because of illness/injury, cannot participate in Physical Education must bring a note from his/her parent to the nurse during homeroom period. Restrictions for more than a week require a doctor's note.

School personnel may not dispense medicine of any kind without proper written authorization. Please see the nurse in such cases. All approved medications will be kept in the nurse's office. **Students may not possess medications in the school.**

COUNSELING

The guidance counselor is a certified, specially trained, caring person who helps all students. The counselor also works with teachers, school personnel and parents.

Periodic conferences are arranged between the counselor and individual students to help resolve educational, social and personal problems. Parents may notify the school to arrange an appointment with the counselor. If there is an immediate need a student may request permission from the teacher to see the counselor.

The counselor will meet with groups of students for guidance activities and to discuss intervention programs.

TRANSPORTATION

School buses are provided for the transportation of students who require transportation as part of their Individualized Educational Plan.

Students are expected to conduct themselves properly on the bus and in some cases are supervised by a bus attendant.

SCHOOL CLOSINGS

In bad weather, the Central Office will decide whether or not school will open. Announcements will be made between 6:00 a.m. and 9:00 a.m. on KYW-1060 and other radio stations.

SCHOOL SECURITY

The security and safety of students and staff is a priority at Universal Alcorn. Full-time Climate Staff are assigned for that purpose. The following safety and security procedures are observed:

- All visitors must register at the front desk and have permits to enter the building.
- The police will be notified of any trespassers.

- Appropriate action will be taken against anyone who threatens the safety and/or security of students or staff at Universal Alcorn.
- Violators of Act 26 (weapons) will be arrested.
- School uniforms must be worn at all times

HOMEROOM/ ADVISORY

Homeroom begins at 8:30 a.m. Students will be marked late if they are not in their assigned seats when roll is taken by your advisor. The first class begins at 8:30 a.m.

ATTENDANCE

Students are expected to attend school regularly. If a student must be absent, they must bring a written excuse note from their parent or guardian. Failure to provide such a note will result in an unexcused absence. All attendance will be monitored and legal action (Truancy Court) will be taken in cases of unexcused absenteeism. These absences are considered parental neglect.

LATENESS

Students are late after **8:40** a.m. Students arriving to school after **8:40** a.m. must report to the front desk. Because you are late, you must complete a late slip and take it to class.

FIRE DRILL

Fire drill directions are posted in all rooms. Students must walk rapidly and quietly as directed by the teacher. Everyone must leave the building for fire drills.

CLASS TRIPS

Throughout the year, field trips may be scheduled for academic enrichment and special purposes. All students may be invited to accompany their class on field trips. Every effort will be made to keep costs to a minimum. Students with poor behavior may lose their trip privilege or may need to be accompanied by a parent.

CLASS WORK AND EXAMS

All students are expected to complete all class assignments. Examinations are essential to the learning process and must be taken by all students. Students are expected to make up all missed work and tests. Failure may result when students do not complete the proper number of assignments and/or examinations.

EARLY DISMISSALS

Early dismissals have a negative impact on the learning process. All parents are encouraged to make sure that all scholars remain in school for a full day. However, we realize that there are extreme circumstances where students may need an early dismissal. Any student receiving an early dismissal will be permitted to leave the building accompanied by a parent or their adult designee. **Early dismissals will not be granted after 2:45pm due to safety issues.**

If a student becomes ill in school or has an appointment, he/she will be excused only into the care of a parent or guardian. For prearranged appointments, a student must present a note from the parent/guardian to the main office stating the reason, the time, and a phone number where the parent can be reached for verification of the request for early dismissal.

Before leaving the building, the student must first report to the Main Office and await the arrival of the parent or guardian. That person must come into the office and “sign out” his/her child. **NO STUDENT WILL BE PERMITTED TO LEAVE THE BUILDING WITHOUT OFFICIAL PERMISSION AND A VERIFIED ADULT ESCORT.**

CHILD FIND
