This information will be provided very early in the morning broadcasted at 5:00 am. If it becomes necessary to close during the school day, information will be forwarded to local radio stations, and local television networks. E-mails and automated telephone calls will also be used to notify families.

## **EMERGENCY DRILLS**

Scholars will participate in evacuation drills each month; this includes fire drills and school lock-down drills.. These unannounced drills are to prepare scholars and staff for any emergency that may arise which would require the building to be evacuated. We ask that you reinforce the importance of following fire drill evacuation procedures at home.

## **EMERGENCY CONTACT INFORMATION**

It is imperative that Universal Audenried Charter High School have, on record, the current and up-to-date home telephone numbers, parent/guardian cell phone numbers, home addresses, parent email addresses, and emergency contact information for each scholar. This is a matter of child safety in case of sudden illness or any

emergency situation that may arise. This information is also necessary to notify parent/guardians of any academic, behavioral, or attendance concerns. If a scholar moves and/or changes phone numbers, the parent must contact an administrative assistant in the main office with the new information immediately and provide appropriate documentation. This is the responsibility of the guardian.

### **UNIVERSAL AUDENRIED SCHOOL FOOD PROGRAM**

Universal Audenried Charter High School provides a free breakfast and lunch program through *Universal Companies Food Services*. The scholars will receive breakfast and lunch everyday in the Universal Audenried Charter High School Cafeteria. Scholars may not bring outside food or drink unless a note is provided by a medical professional.

### **ATTENDANCE EXPECTATIONS**

In Pennsylvania, school attendance is required for all children ages 8 to 17. "Attend school" means that a child must be enrolled and attend a public school, a charter school, a cyber charter school, or a private or religious-based school, or else participate in an approved home-schooling program. Once a scholar of age 5 or older is registered for school, he/she is considered school-age and is required to attend school daily. If the scholar/family does not comply, they can be referred to DHS for truancy services.

Pennsylvania Department of Education regulations state that children are considered school age from the time they are admitted to the public school educational program until graduation from high school or the age of 21 is reached. During the time a child is of school age, he/she is entitled to attend Universal Audenried Charter High School or a charter school. Scholars who turn 21 during the school term are entitled to finish out the school year.

### **Parents/Guardians are Expected to:**

- Ensure that their children between the ages of 8 and 17 are enrolled in school and attend school regularly, on time, and for the entire school day.
- Emphasize the importance of on-time attendance in school, class and supervised activities; celebrate good attendance and success.
- Ensure that their child receives the periodic scholar health examinations that are required by law.
- Schedule family vacations to coincide with school recesses
- Call the school when their child is absent
- Provide a written excuse for every absence when their child returns to school.
- Provide a written excuse for every late arrival and early departure.
- Provide the school with correct current addresses, emergency contacts, home, cell and work telephone numbers, e-mail addresses at the beginning of each school year and update information whenever there are changes.
- Help develop and implement the individualized plan for their child's improved attendance when necessary.
- Send their child to school every day prepared to participate and learn by encouraging a good night's sleep and breakfast.
- Make personal appointments for their child outside of the school day or during school breaks as often as possible.

### **When Can a Child be Absent?**

Sometimes scholars have to miss school. These "excused absences" apply under circumstances such as illness or injury, teen parent leave (six weeks or 30 school days) after the birth of a child, death/funeral-related absence, education-related trips or activities, suspension, and religious holidays. A written notice from a parent or guardian must be submitted to the school immediately upon a scholar's return to school. Such notice must include a valid telephone number or other means of contact for verification purposes. Certification of illness/injury/delivery is required if the absence extends for three or more consecutive days. The scholar/family has three days from the date of the absence to provide documentation to the school for an excused absence. After the third day, the school principal or designee has the discretion to approve or deny the note.

An “unexcused” or “illegal” absence occurs when a scholar is absent without a valid excuse in writing. That means that either no written notice was submitted to the school upon the scholar’s return or that the reason provided in the notice was deemed invalid. Examples of invalid excuses include (but not limited to) babysitting, waking up late, or being on vacation with family.

The note must be provided to the scholar’s counselor.

### **Responses to Non-Attendance (Truancy)**

A scholar who is absent from school without a valid excuse is considered “truant”. A pattern of truancy can lead to a variety of interventions or penalties, depending upon the circumstances. On the school level, truancy will result in a School Attendance Improvement Plan and may result in a referral to the Department of Human Services/Truancy Court.

### **What is an Attendance Improvement Conference?**

An Attendance Improvement Conference is a meeting scheduled to identify the barriers to regular school attendance and develop interventions that will eliminate or reduce the barriers. The school will hold the conference even if the parent declines to participate or fails to attend after the school provides advance written notice and makes attempts to communicate via telephone. The school will document the outcome of the attendance conference in a written attendance improvement plan (SAIP).

Suspension from school or transfer to an alternative educational setting is not a permissible response to truancy.

The school will notify, in writing, the parent/guardian within ten (10) school days of the child’s third unexcused absence that the child has been “truant”. This notice will:

1. Include a description of the consequences that will follow if the child becomes habitually truant in the future;
2. Be in the mode and language of communication preferred by the parent/guardian; and
3. Include the offer of an Attendance Improvement Conference

\* scholars who miss school due to a suspension may not participate in after school activities, including as a spectator, on the date of the suspension.

\* Grading: It is the expectation that scholars’ grades be a valid representation of the scholars attendance. A scholar who is absent from class 5 times during a marking period can fail the class.

### **MISSING ASSIGNMENTS: Make-Up Policy**

Scholars with excused absences may collect missing work upon return to school. Scholar is responsible for providing counselor with a valid excuse note prior to receiving missed assignments. All missing assignments are due to the instructor three days after it is distributed to the scholar. Scholars are responsible for requesting, collecting and completing all missing assignments. If assignments are submitted late, scholars will not receive credit for the assignments. In addition, **any scholar with unexcused absences or unexcused lateness to class will not receive credit for any missing assignments.** They are however, encouraged to complete the assignments as content will be on assessments and standardized tests.

\* All assignments missed as a result of an absence should be made up for each class. scholars will not earn credit for assignments that have not been completed and submitted to their respective teachers.

\* scholars should not be permitted to make-up work if the absence is not excused.

## **LATENESS TO SCHOOL**

All scholars are required to enter school prior to the first bell at 8:00 am. A scholar coming in after 8:00 am is late.

Late Scholars will be issued a late pass from the climate staff at the scan. The pass is time stamped. Scholars have five minutes to enter their first period classroom. After the third lateness students will be issued an administrative detention to be served on the day of their third lateness. Failure to attend the detention will result in a mandatory parent conference.

Scholars who arrive after 9:00 will be issued an immediate detention to be served the same day. Scholars who arrive after 9:00 will be held in the cafeteria until 9:40. Freshmen will miss their first two periods and upper classmen will miss first block.

## **LATENESS TO CLASS**

Occurs when a scholar arrives to a class after the late bell without authorization. Teachers will record all lateness in Powerschool by the end of the period. Scholars who are late may lose credit for work missed. Scholars with repeated lateness to class will receive consequences.

## **EARLY DISMISSAL REQUESTS**

Whenever possible, appointments should be scheduled after school hours as they can interfere with your child's learning program. When children have an appointment that requires them to leave early, the following procedure must be followed:

Scholars who are accompanied by an official parent or guardian may be escorted from the building. The guardian must sign the child out at the office. Those picking up scholars, including parents, may not go directly to the child's classroom and must provide office staff.

No scholar in grades 9, 10, or 11 will be permitted to leave at any time during the school day for any reason without being escorted by a parent or guardian who is on record as an official parent or guardian or emergency contact.

Scholars in grade 12 may be dismissed without a parent/guardian if they provide a note on an official letterhead and signed by a doctor or government official to their counselor.

Teen parents who participate in the ELECT program and receive administrative approval may be permitted to exit the building early.

Scholars that have scheduled activities off campus (CCP) must not be allowed to leave their scheduled class early. They must remain until the end of the course.

Certain disciplinary infractions may call for a scholar's immediate dismissal from the premises. Parents will be contacted for approval. If approval is granted the scholar will be dismissed from the premises with written notification of the disciplinary consequence, and the date and time of the parent conference, if necessary. If approval is not granted the scholar will not be permitted to return to class.

## **SCHOLAR IDENTIFICATION CARDS**

Scholars must have school identification at all times in school. They must be able to present identification at all school activities, and upon request by any school staff. One photo ID will be issued. The ID card is required to enter and leave the building. The ID card will no longer be valid once a scholar has graduated or been

dropped from enrollment. Scholars who forget their ID card on any given day must sign in at the entry point and may be fined \$1.00. Scholars are required to carry their school issued identification card at all times when in the school building. Scholars need ID cards to obtain transpasses, attend school trips and access the school's technology. Lost cards must be replaced. Replacement cards cost \$5.00. Each day that a scholar does not have an ID card they may be charged \$1.00. When a scholar has outstanding debt the school will deny scholar records, transcripts and diplomas until debts are paid.

### **SCANNING of IDENTIFICATION CARDS**

ALL SCHOLARS are required to show, as well as, scan their scholar ID cards at the security checkpoint area when they enter the building. Scanning scholar ID cards is an essential part of the security and attendance process at UACHS. Failure to scan the scholar ID card at one of the security checkpoint scan stations, or fill out one of the appropriate daily attendance forms is a security violation. Any scholar found purposely violating this school security procedure will not be allowed to enter the building. Using someone else's ID card is strictly prohibited. ALL VISITORS are required to pass through the security checkpoint at the front entrance and will then be directed to the Front Desk. At this location they are to sign-in and obtain a visitor's pass before entering the Main Office. Once there, our office staff will contact the person with whom the visitor wishes to meet.

### **TRANSPASS DISTRIBUTION**

The School District of Philadelphia's Department of Transportation identifies scholars who qualify for free transpasses. Scholars must live 1.5 miles away from the school according to the technology in use at the School District of Philadelphia. Their names appear on a computer print out each week. Scholars must attend school regularly in order to be issued their transpass. Scholars must show their UACHS ID Card to obtain their transpass. Transpasses will be issued to scholars on Mondays and Fridays during lunch. If a scholar is absent Friday and Monday they must provide the Counselor with a valid note excusing their absence. They will then be provided with documents in order to obtain their transpass from the school operations officer. Transpasses are the responsibility of individual scholars. Scholars who misplace their transpass for any reason the school will not be able to replace the transpass.

### **LOCKER EXPECTATIONS**

All lockers assigned to scholars are the property of Universal Companies. Lockers are not private property, At no time does the school relinquish its exclusive control of its lockers. scholars will be assigned a locker only after they and their parents have read and signed the Locker Contractual Agreement found in the Code of Conduct.

Scholars may only store their belongings in their assigned locker and must keep the locker that is assigned to them by the school administrator. They cannot move their belongings to any other locker to which they are not assigned. Any scholar found using a locker other than the one assigned or allowing other scholars to store items in their assigned locker, is subject to having their locker privileges revoked.

Lockers are to be used to store school supplies and personal items necessary for use at school. Lockers shall not be used to store items that cause interference with school purposes or that violate school rules. Lockers are not burglar proof and scholars should not leave valuables such as money, electronics, and expensive personal property in the lockers. The school is not responsible for money or any valuables left in the locker. Locker use should be limited to before and after school, class transitions, and lunch.

### **What are the expectations for scholar locks?**

The school principal or his/her designee shall have custody of all combinations to all lockers and/or locks. Scholars are prohibited from placing their own personal locks on any locker. All unauthorized locks (ones which the school does not have direct access) will be cut off from the locker. Scholars should make sure the lock is secure after using lockers and report all incidents to a climate staff member or administrator when locks and/or lockers have been tampered with.

### **What will happen if a locker search is conducted?**

Scholar lockers are the property of the school and may be subject to search by an administrator at any time with reasonable suspicion to protect the health, safety and welfare of others. Other reasons for a search of a scholar's locker would be a complaint or evidence of foul odors emanating from a locker or the leaking of any wet or dry substance. Accordingly, the principal or designee may search lockers and locker contents at any time, without notice, and without parent/guardianship or scholar consent.

### **SCHOOL PROPERTY**

All lockers, locks, books, equipment, musical instruments, and other materials issued to scholars remain the property of the school. ### **SEARCH AND SEIZURE**

Scholars shall be free from unreasonable search and seizure of property as guaranteed by the Fourth Amendment of the U.S. Constitution. This individual right is balanced by the school's responsibility to protect the health, safety, and welfare of others. Scholar lockers are the property of the school and may be subject to search by an administrator at any time with or without reasonable suspicion to protect the health, safety, and welfare of others. ### **GRADE BOOKS:**

Parents have access to all grades on PowerSchool. All teachers will utilize the PowerSchool System. This will be monitored by administration. Gradebooks should be updated regularly (a weekly basis) to ensure that scholars and parents alike have the most up-to-date data regarding grades. Families and Scholars may utilize PowerSchool Gradebook to view current grades at [universalcompanies.powerschool.com/public](http://universalcompanies.powerschool.com/public). If parents or scholars are not aware of how to log-in to PowerSchool, they may reach out to a teacher, counselor, or Assistant Principal to acquire information on how to access the information.

## **HOMEWORK**

Universal Companies' policy requires home assignments: "a homework assignment should be made as an extension or follow-up of clearly defined school activities." Homework of this type provides opportunity for scholars to become self-directive. There are many worthwhile home activities that may be used to reinforce and enrich school experiences.

Homework is not necessarily a written assignment. Homework may be planned to offer the necessary practice in fundamental skills and/or to provide practical experience.

Scholars are expected to have homework assignments in all academic subjects on a regular basis; and in other subject areas when required for a particular activity. Frequency and amount of homework will vary according to the needs of the scholar, the subjects involved, and the teacher's requirements. Homework may include written, oral, reading, study, or other creative assignments. Group and individual assignments may be used as well as whole-class assignments. Should you have any questions regarding your scholar's homework, please contact the staff directly.

## **HIGH SCHOOL GRADING POLICY**

Universal Companies directs that evaluation of scholar progress be based on various aspects of performance as measured against standards for the respective grade or subject. The requirements for evaluation shall take into consideration the ability, aptitude, cultural background, and other characteristics of the scholar.

Grading shall be based on (1) achievement as it reflects a reasonable and conscientious effort on the part of the scholar to fulfill in quantity and quality the requirements of the course, (2) the ability of the scholar as it relates to the scholar's demonstrated effort, and (3) other criteria may be utilized.

## **SPECIAL EDUCATION/HOMEBOUND GRADES**

Homebound scholars will receive all grades in all subjects from the homebound teacher for the length of time enrolled in homebound. Special education scholars will receive progress reports at parent request and with report cards. Progress will be based on long term and short-term objectives as reflected on the Individualized Education Program (IEP).

## **END OF COURSE EXAMS**

The performance of each scholar during the final marking period is expected to reflect and approach a degree of proficiency comparable to the quality of work for the course may be considered unsatisfactory.

D	65-69	1.0
F	0-64	0.0

The first transcript will carry the end-of-course average in the form of a letter grade for courses attempted. The transcript will reflect a 4.0 grading scale. The final grade point average(s) shall be computed to thousandths and rounded to hundredths.

Scholars who transfer in with missing transcripts will be placed in their previous grade until proof of credits become available.

Scholars must be regularly enrolled in school and in full-time attendance there. If scholars are absent from school during a semester for a total of 10 or more school days, they will lose eligibility until they have been in attendance for a total of 45 school days following their 20th day of absence.**

**Scholars are eligible only if there is on file with the principal of the school, before he/she begins practice, an official PIAA certificate signed by a parent/caregiver consenting to participation in the particular sport involved.**

## **UNIVERSAL AUDENRIED EXPECTATIONS**

All UACHS community members, including families and scholars are expected to follow the Universal Companies 2018-2019 Code of Conduct.

All disciplinary actions for misconduct will ultimately reach a conference between the teacher and/or administrator, scholar, and parents, in a timeframe corresponding to the severity of the infraction. These conferences will be preceded by written notification to the parent or guardian.

As a means of ensuring a safe environment, scholars, staff, and/or parents who become aware that a fellow scholar is in possession of illegal substances, firearms, weapons or any items that could endanger his/her safety or the

safety of others, has a duty to inform an adult such as a fellow parent, teacher, counselor, director or staff member, from amongst our community.

### **SCHOOL UNIFORM POLICY / DRESS CODE GUIDELINES**

The dress code was developed to establish a friendly and professional atmosphere that promotes pride, respect, and safety for the scholars and staff. As a family of professionals, our basic standard for scholars is professional dress, and for each to take pride in their appearance. School is a place of business and education is the scholar's job. We depend on our parents to support and assist us in maintaining our dress code standards. The following dress code guidelines are enforced daily at Universal Audenried Charter High School. The uniform **MUST** be worn everyday. Dress-down days are only allowed with the principal's approval, and only apply to that particular day.

#### **UNIFORM**

2. Tan/Khaki Bottoms with pockets in the front and back.
3. It is preferred that scholars must wear all black, all brown, or all navy shoes.
4. Scholar may wear religious attire.
5. Scholars can wear a blue or black sweater on top of the official Audenried polo shirt.

In addition, the scholar may also receive a disciplinary consequence for violating the school's dress code. **(If you are not sure, do not wear it.)**

### **SCHOLAR HEALTH SERVICES**

The school nurse handles a variety of scholar concerns each day and maintains medical records on each scholar. Please inform the nurse of any special health problems. When the nurse is not in school, the principal (or designee), who has received training by the nurse, may administer medication under the guidelines established by the Pennsylvania Health Services Commission.

If a child becomes ill during the school day, he/she will be given immediate attention. You will be called if your child is too ill to return to class. Please advise your children that they should not personally call home if they feel ill but should go directly to the nurse's office or the principal.

Please complete the **Emergency Contact Form and the Scholar Medical History Form** for the school nurse by the first day of the school. These forms provide important information, which can help to keep your child safe and healthy during school hours. Please note that it is still the parent/guardian's responsibility to directly inform the nurse of any special medical conditions or needs by phone or in person.

### **IMMUNIZATION OF SCHOLARS**

**All scholars must be completely immunized or exempted before admission to any public, parochial or private school in Pennsylvania. The Pennsylvania Department of Health, Philadelphia County Board of Health and Universal- Audenried Charter High School require this.**

The purpose of requiring immunization is to protect scholars from preventable communicable diseases and their medical and educational complications.

There are two exemptions:

- Religious Exemption – Pupils need not be immunized if the parent/guardian objects in writing to the immunization on religious/ethical grounds. However, please be advised that a formal application must be submitted to UACHS board for approval.
- Medical Exemption – Pupils need not be immunized if a physician or his designee provides a written statement that immunization may be detrimental to the health of the child. When the physician determines that immunization is no longer detrimental to the health of the child, the medical exemption ceases to be valid and the child must be immunized.

In the event of an outbreak of a disease for which the child is exempt from the requirement to be immunized, that child will be excluded from school until a competent medical authority determines that the child may return, or until the child is appropriately immunized.

When transferring from one school to another, parents should request the Certificate of Immunization from the current school and take it to the new school. No pupil will be admitted to a new school without the certificate. The Certificate of Immunization shall follow the scholar when he/she transfers, graduates, withdraws or otherwise leaves UACHS.

#### **MEDICATION POLICY**

**For the safety of all scholars, NO medication (this includes prescription and over-the-counter medicines, may be given OR taken in school unless we have ALL of the following in the health office:**

1. Written orders from the scholar's health care provider
2. Written permission from the parent/guardian
3. Properly labeled medicine (in a container from the pharmacy or the health care provider, including the date the prescription was filled)

This medication **process must be restarted each school year**, beginning with the first day of school and ending on the last day of school.

Under special circumstances, the school nurse may give permission for the scholar to take his/her own medication if the **Scholar Contract Form** has been completed and signed by the parent/guardian and the scholar.

#### **CONFIDENTIALITY STATEMENT**

UACHS maintains a firm policy regarding the confidentiality of its scholars, and prohibits the discussion of any scholar or matters pertaining to scholars in any public venue.

#### **CHILD ABUSE AND NEGLECT**

It is the policy of the UACHS that all of its employees are to be aware of, and comply with, the Child Protective Services law of the Commonwealth of Pennsylvania. This law makes it mandatory for UACHS employees to report suspected cases of child abuse and/or neglect to the Administration, and required, by law, to file a report with the Department of Human Services. Compliance with the laws of Pennsylvania, and the policies of UACHS, will serve to protect everyone concerned.

**VISITORS TO THE SCHOOL**

Due to COVID-19 Restrictions no parent visitors will be permitted to enter the school classrooms, hallways or public areas. Once this restriction has been lifted we will inform families.
