# Letter from Administration

Dear Parents and Guardians,

Welcome Back! We are excited to begin the 2022-2023 academic year at Universal Creighton Charter School. I hope that you have enjoyed your summer and are ready to send your scholars back to school refreshed, reenergized, and ready to learn. I know that this will be an outstanding year for Universal Creighton Charter School.

As a result of the impact of the drastic changes that have taken place over the past two years with Covid-19 school closures and incidents of racism and police brutality, we must all be united in our efforts to ensure that we adhere to our school district mission, vision, safety and equity policies. There must be a continued emphasis on the physical and mental health and well-being of all of our scholars, as well as equity, respect, and racial equality in our school. This must be a part of our school culture and environment.

Creighton is a high performing charter school with outstanding students, parents, and staff. Here at Universal Creighton Charter School we have *created a safe, nurturing school environment that embraces its diversity and through the use of data, developed and embedded the supports needed to ensure that all scholars achieve to their full social-emotional and academic potential*. All staff will continue to work with you to help our scholars succeed on their path to college and career readiness.

This year, we have even more new and exciting opportunities to inspire your child. We have introduced a large quantity of new technology for scholars to access our online programs. We are fortunate to continue to offer a newly renovated 21<sup>st</sup> Century library fully staffed with a librarian. We are excited about continuing to provide rigorous K-8 Math and ELA curriculums, Eureka Math and Wit and Wisdom, as well as a new Science Curriculum, Inspire Science. We are also excited to announce that we will be adding a new STEM lab, and a new social emotional learning curriculum. We will continue to have Math and Reading interventionists, an MTSS coordinator, and an additional bi-lingual social worker to provide additional academic and emotional supports to identified students. In addition, we look forward to seeing you at our monthly parent workshops.

Our school continues to be a peer leader among K-8 public schools in the city of Philadelphia. Our 2019 PSSA test scores were solid in reading and math, and we are confident that our scores will show growth on the PSSA administered in spring 2021. This is a result of the hard work of our scholars, parents, and teachers.

Here at Universal Creighton Charter School, we are on the right path to continue to improve our scholars' academic growth, as well as, maintain a positive school culture that will foster the development of the social, emotional, and problem-solving skills needed to excel in the 21st century. I thank you for all of your hard work and dedication as a parent or guardian, and I look forward to a phenomenal 2022-2023 school year.

Respectfully,

Wendy Baldwin, Principal

## **Bullying and Cyber Bullying**

We are committed to providing a safe, positive learning environment for students. Bullying detracts from the safe environment necessary for student learning, and may lead to more serious violence. Each student is responsible to respect the rights of others and to ensure an atmosphere that is conducive to learning and free from bullying. We encourage students or parents/guardians who have been bullied or witnessed bullying immediately report such incidents to the climate and culture coordinator and/or principal, counselors, teachers, or any staff member using a witness statement and/or Parent Concern Form.

Bullying is characterized by the following three (3) criteria:

- It is intentional or deliberate aggressive behavior or harm doing;

**RE: Required Background Checks for Parent and Community Volunteers**

Dear Parent/Guardians and Members of the School Community:

Universal values the contributions that parents and community volunteers make to the educational programs of our schools and encourages parents and community members to volunteer. In order to ensure the safety and welfare of our scholars, and to comply with the Pennsylvania law, Universal has revised its volunteer policy and requirements.

**Pennsylvania law and the Universal Family of Schools now requires background checks on all volunteers and those who will be performing tasks that could put them in close and unsupervised contact with scholars.**

A “volunteer” is defined as an individual who meets one or more of the following criteria:

- The volunteer will have unsupervised contact with scholars
- The volunteer has a regular and ongoing assignment at the school
- The volunteer will be off campus with scholars in an unsupervised situation (i.e., field trip chaperones)
- The volunteer is a mentor to a scholar or scholars
- The volunteer is a coach or activity director.

This policy does not apply to a school “visitor.” A visitor is defined as an individual who visits a school for a specific purpose, such as a scheduled parent teacher conference, or provide a **one-time** service under the supervision of the principal or his or her designee. A visitor is not engaged in activities that provide them with unmonitored care, supervision, guidance, or control of children, and does not provide ongoing services to the school. Such individuals are required to sign in at the Main Office and wear a “Visitor’s Badge” while in the building.

## Steps for Becoming a Volunteer

In order to become a volunteer, you must comply with the following requirements:

1. Apply for the following clearances:
  - State Police Background Check (Act 34)
  - Child Abuse Clearance (Act 151)
  - FBI clearance (Act 115)
2. Complete the Volunteer/Chaperone Application. If you have children in different buildings and plan to volunteer in each of the buildings, submission of **one** application and **one** set of clearances to **one** building is sufficient. However, please indicate each of the buildings for which you are applying on the application form.
3. Present the completed application and the original clearances to the main office.
4. Universal shall within fifteen (15) days provide a written letter of approval for any volunteers to be assigned within a school.

Individuals who have met the requirements to be a volunteer will be approved by Universal to volunteer for a period of one year. State Police Background Checks (Act 34) and Child Abuse Clearances (Act 151) must be obtained once each year. FBI clearances (Act 115) are required for all first-time applicants and must be obtained every three years thereafter. Volunteers will be required to apply and be approved by Universal annually. **No individual may be a volunteer until the required application and background checks are completed.** In addition, no individual will be approved to serve as a volunteer if their criminal history check would preclude him/her from being employed in a Pennsylvania public school under Act 34, Act 151 or Act 115.

As always, thank you for your contribution of your time, resources and support. We appreciate your willingness to volunteer in our schools and welcome the opportunity for parents and community members to offer their valuable time to supporting the mission of our schools.

Sincerely,

Wendy Baldwin,

Principal

## Child Find

Charter School Child Find Obligation under Title 22 Pa Code § 711.21. Child

To enable the Commonwealth to meet its obligations under 34 CFR 300.111 (relating to child find), each charter school and cyber charter school shall establish written policies and procedures to ensure that all children with disabilities who are enrolled in the charter school or cyber charter school, and who are in need of special education and related services, are identified, located and evaluated.

## Monthly Calendar and Newsletter

Universal Creighton Charter School is dedicated to keeping parents informed about our academic programs. Our monthly calendar serves as a way to let you know what is going on at the school as far as our academic program, special events, and other important information that will help you become a partner in your child's education. Please look for these documents on a monthly basis.

## Attendance Policy

Universal Creighton Charter School is dedicated to the academic achievement and success for all scholars. Regular school attendance is an integral part of that success. We know that if we increase student attendance, we will not only improve the academic skills of our scholars, but we will improve their social and emotional growth as well. On average, approximately 15,000 students are absent from school every day. Universal Creighton is making every effort to ensure that **every student is in school and in class, every day, on time.** To accomplish this, we will uphold the following attendance and truancy procedures:

Daily Attendance: All absences will be treated as illegal or unexcused until the school receives a written excuse note explaining the reason(s) for the absence. According to the law, only absences due to illness/quarantine, recovery from an accident, required court appearance, religious holidays, death in the family, and educational tours or trips (with prior approval by the Principal) may be excused. All other reasons (for example, vacations, trips, and illness of a family member) are considered to be illegal or unexcused. **All excuse notes must be given to your child's school within three (3) days of the student returning to school after his or her absence. If a written excuse note is not received within three (3) days, the absence will be permanently counted as illegal or unexcused.** A doctor's note must be provided for all absences of three (3) or more days in a row. If your child has illegal or unexcused absences on record, you can expect to receive telephone calls, mailed notices, and a request for a parent conference.

**Truancy Referrals:** The parents of scholars that have six (6) or more illegal absences may be referred to the Truancy Court. As a result of truancy, according to the Compulsory School Attendance Law, a judge or hearing officer may require students and/or their parents/guardians to do any or all of the following:

- Appear at a hearing regarding the student's truancy
- Perform reasonable school or community service for a period designated by the judge or hearing officer.
- Complete a parenting education program.

- Obtain counseling or other supportive services, including a re-entry, or other service plan determined appropriate by authorized school officials
- Pay a fine of up to \$300
- Pay court costs
- Serve up to five (5) days in county jail

You can help improve your child's attendance and academic performance by making all appointments before or after school hours and regularly checking on his or her academic progress, behavior, and attendance. You can also help by discouraging lateness and class cutting. When your child is absent, please be sure to send an excuse note as soon as he or she returns to school, and make sure all make-up work is completed and returned.

If there are circumstances that prevent your child from attending school every day, please contact the school at 215-537-2531. We want to work with you in getting your child to school on time, every day. Thank you for partnering with us in improving student attendance and reducing truancy.

## Notification

Parents must send in an absence note on the day the student returns to school from an absence. The note must follow the guidelines mentioned above in order for the absence to be considered excused.

## Tardies

Students are expected to arrive on time daily (8:15 a.m.) in order to take full advantage of our academic program. **Note: 8:31 a.m. is considered late.** Students will be participating in attendance competitions school-wide, per grade and per classroom. Students will be subject to lunch and after-school detentions for arriving late.**

## Early Dismissal
